Intermediate Dance: Exit Card

Student Name: _____ Class: _____

Date: _____

1. How did movements change or adapt from moving with a partner to moving within a group?

2. Was it easier to be the follower or the leader? Explain why. (Consider: What did you notice about your concentration? Your group's concentration?)

3. What did you notice about your senses? (Consider: What did you notice about your concentration? Your group's concentration?)

4. What are the effects of using objects/technology as a part of body movements?
